

Michigan Golf Course Association, “The Voice of Michigan Golf Business”, earlier this year strategically aligned with “Small Business for a Better Michigan”, a coalition of Michigan job providers.

Why? To advise the legislature to make changes to the burdensome legislation for Minimum Wage and Paid Sick Leave.

As a result, earlier in December the Michigan Legislature sent their amendments to both Michigan’s Minimum Wage and Paid Sick Leave laws that were passed in early September to the Governor’s desk to be signed.

Due to recommendations from MGCA government affairs and the Small Business for a Better Michigan, the final draft that passed in the legislature made both proposals workable for the Michigan business community.
